

# Prayers for Teachers

to pray over their classroom

## Stress

Lord, I am feeling overwhelmed today. Please give me the peace and clear mind promised in your Word. Help me find solutions to the challenges I am facing. Be with me today and guide my steps. Amen.

## New School Year

Dear God, thank you for the students who will be in my classroom this year. I know you have placed each child with me on purpose, and you have annointed me to fulfil my role as their teacher. I pray that they feel loved, valued, and full of worth inside the walls of my classroom. Help them to feel peace and hope within my classroom. Help me show them your love, hope, and joy. Be with us this school year, and bless each child. Amen.

## Student Health

Dear God, please watch over my students' bodies and minds. Protect them from any sickness or harm. I believe you are their protector and healer. I pray for strengthened muscles, strong bones, sound minds, and powerful immune systems. Bring wholeness and health to their bodies. Amen.

## Classroom Helpers

Lord, thank you for bringing helpers into my classroom. I ask that you watch over them, bring them peace, and help them experience your love and presence in our class. Give them fresh ideas, endurance, and confidence to serve our students. Amen.

## School Administration

Thank you Lord for the administrators you have placed in authority over my classroom. Give them guidance, wisdom, and peace in their decision making. Help them to lead with grace and feel joy in their work. Amen.

## Families

Thank you for the families of my students. You have entrusted them with these children, and I pray you bring blessings, peace, joy, and hope into their homes. Give them strength, rest, and guidance. Amen.
